Violent Party Formed in Russia That Creates Terror

New York, Sept. 3.—The new revolutionary party formed in Russia entitled the Russian Socialist Revolutionary party, which differs from the Russian Social Democratic party in being less doctrinaire and more violent in tactics, is described by the London correspondent of the Times, in a dispatch which declares that the new organization has revived something of the terrorism which shocked Russian society 10 years ago. There is a third party, the Russian revolutionary party. All three agree as to the necessity of abolishing the existing autocracy.

The new party aims at arousing the heart of Russia, reaching the peasants not affected by previous efforts. This dispatch asserts that since April, 1902, a "fighting organization," has been created as a wing of the revolutionary party in order to meet force with force and terror with terror.

New York, Sept. 3.—Mrs. Roland B. Molineux, who went to Sioux Falls, S. D., nine months ago, shortly after the acquittal of her husband on the charge of causing death by poison of Mrs. Adams, has returned to this city. It was said when she went to South Dakota that it was her intention to sue for divorce. It is rumored that the case was heard before a referee in Hamilton county and that the evidence was submitted to a judge sitting at De Smet, S. NEW WEDDING CEREMONY FORMULA

Philadelphia, Sept. 3.—Something new in the wedding ceremony formula has been evolved at the marriage of Katherine Fisher of this city and E. S. Ross of Brooklyn. The word "O'Br" was omitted by the magistrate and after the certificate had been properly filled out and signed, Mrs. Ross produced a document which proved to be a sort of bill of rights in which Ross clearly defined what he conceded to be the personal and inalienable rights of his wife and in which the latter sets forth the admitted prerogatives and privileges claimed by her husband. The couple and fourteen witnesses signed the document.
